

# Product EU Energy Efficiency Sheet

Supplier's name or trademark: TEKA

Model identifier: -

General product parameters:

| PARAMETER                                                                       | VALUE | PARAMETER                                                                         | VALUE |
|---------------------------------------------------------------------------------|-------|-----------------------------------------------------------------------------------|-------|
| Annual Energy Consumption (kWh)                                                 | -     | Energy efficiency class                                                           | -     |
| Fluid Dynamic Efficiency                                                        | -     | Fluid Dynamic Efficiency Class                                                    | -     |
| Lighting Efficiency (W)                                                         | -     | Lighting Efficiency Class                                                         | -     |
| Grease Filtering Efficiency (%)                                                 | -     | Grease Filtering Efficiency Class                                                 | -     |
| Air flow, min speed normal use (m3/h)                                           | -     | Air flow, max speed normal use (m3/h)                                             | -     |
| Air flow, intensive or boost use (m3/h)                                         | -     | Airborne acoustical A weighted sound power emissions, min speed normal use (dB)   | -     |
| Airborne acoustical A weighted sound power emissions, max speed normal use (dB) | -     | Airborne acoustical A weighted sound power emissions, intensive or boost use (dB) | -     |
| Power consumption in off mode (W)                                               | -     | Power consumption in standby mode (W)                                             | -     |
